

Gmail

This is students' UCAP emails and the account students use to access the Chromebooks. If they cannot remember their password, contact Reece Franklin (reecef@ucap.org) and request a password reset. The student email follows the format of first initial, last name @ucap.org. For example, John Doe would be jdoe@ucap.org

Teacher emails follow the exact opposite format-- first name, last initial, @ucap.org. If you would like to contact a teacher for any reason, you may email them following this format. For example, Reece Franklin would be reecef@ucap.org

PowerSchool

Students and parents can check their teachers, grades, schedules, and more helpful information on PowerSchool (<https://ucap.powerschool.com/>)

Login information was physically mailed to parents at the beginning of the year. If you cannot locate this information, you may request a copy by emailing reecef@ucap.org

ReadTheory

Students access ReadTheory for ELA practice and assignments at

<https://readtheory.org/auth/login>

Their username is their UCAP email, and their password was selected upon account creation. If they cannot remember their password, contact Reece Franklin (reecef@ucap.org) and request a password reset.

STEMScopes

Students access STEMScopes for Science practice and assignments at

<https://login.acceleratelearning.com/>

Their username is their UCAP email, and their password was selected upon account creation. If they cannot remember their password, contact Reece Franklin (reecef@ucap.org) and request a password reset.

Edgenuity

Students access Edgenuity for general content area instruction and assignments at

<https://learn.edgenuity.com/>

Their username is their UCAP email, and their default password followed the format of *lastname12345*, but students have been encouraged to change this for account security. If they cannot remember their password, contact Reece Franklin (reecef@ucap.org) and request a password reset.
