

# THE **UCAP** Challenge

**APRIL 21ST - MAY 30TH**

## SAMPLE CHALLENGES

### **Bike Challenge**

I am participating in the UCAP Challenge to raise funds for the UCAP School. I will be biking XXX miles between April 21st and May 30th. I am asking for donations to help me reach my goal of \$X,XXX. No amount is too small or too big! With the funds raised during the UCAP Challenge, The UCAP School can continue to provide Beyond U programming to all students. Some of these after school programs include homework club, theater and basketball. In addition to supporting Beyond U, the funds raised allow the school to offer free summer programming to students including summer school and camps.

### **Walking Challenge**

I am walking 50 miles to raise money for The UCAP School. Please support me and The UCAP School. \$1 a mile = \$50, \$2 a mile = \$100, \$5 a mile = \$250. With your support, The UCAP school can continue to provide Beyond U programming to all students. Some of these after school programs include homework club, theater and basketball. In addition to supporting Beyond U, the funds raised allow UCAP to offer free summer programming to students including summer school and camps. Any and all donations are appreciated. THANK YOU.

### **Support Local Restaurants and The UCAP School**

Please join me in supporting UCAP and its students. Throughout the UCAP Challenge, I'll patronize local restaurants and other small businesses in Pawtucket, and I'll match my spending at those establishments with a donation to UCAP. You can encourage me by patronizing your local businesses and donating any amount to UCAP through my Challenge. Your money will directly support the after-school activities that enrich the educational experience of UCAP's students. Thank you for your support!

### **Running Challenge**

I will run a 5K five days a week for 5 weeks to raise 5K! Join me in supporting The UCAP School and the Beyond U programs, including homework club, theater and basketball. In addition to supporting Beyond U, the funds raised allow UCAP to offer free summer programming to students including summer school and camps. Consider keeping your donation with the theme by having a 5 somewhere in the gift amount. Thank You!
