Subject: Join me in Supporting The UCAP Challenge

Hi [First Name],

I am excited to announce that I am supporting The UCAP School during their UCAP Challenge by taking on the role of a fundraising champion. My fundraising will directly support Beyond U programming for ALL students. A few of these free after school programs include homework club, theater and basketball. In addition to supporting Beyond U, the funds raised allow UCAP to offer FREE summer programming to students including camps and summer school.

The UCAP Challenge is a fun way to support the UCAP School, the Beyond U programs and the all the students at UCAP. 100% of the money raised through my personal Challenge will directly benefit UCAP students. Join me by contributing to my fundraiser April 21st-May 30th! Check out my fundraising page here: [LINK TO FUNDRAISING PAGE]

Thank you for supporting me and The UCAP School!
